

TOWN OF GROTON

BY-LAW CHANGE RECOMMENDATIONS

Notes regarding change documents

The By-Law Review Committee presented its summary findings to the Board of Selectmen on February 23, 2009. Those findings are articulated in **RECOMMENDATIONS TO THE BOARD OF SELECTMEN**, found at this web page.

This work was undertaken to reconcile discrepancies between the new Groton Charter and the body of Town by-laws. Our detail analysis is documented in the **BY-LAWS (NUMERICAL ORDER)** document. Members of the public are encouraged to review and comment on these proposed changes. A public hearing is scheduled for March 23, 2009 to receive public comments.

Comments may also be submitted in writing by an identified person directly to Michael Bouchard, a member of the By-Law Review Committee. Please send comments to
